

FACULTY OPENINGS

DEPARTMENT OF INTERIOR DESIGN

FULL-TIME AND VISITING POSITIONS

The Indus Valley School of Art and Architecture is a premier, degree-awarding institution in Karachi, Pakistan that provides education in art, design and architecture. IVS invites applications from eligible candidates for multiple full-time and visiting faculty positions in our Interior Design Department.

The Department of Interior Design offers a four-year program of study leading to a Bachelor of Interior Design Degree. Besides developing an aptitude for building envelope, structural systems, material selection, furnishings, equipment, color psychology, spatial thesis, lighting, acoustics and digital technology, the program encourages and facilitates a highly research-driven, context-sensitive, user-centered, and energy-conscious approach to design of interior spaces. The curriculum draws from one of the key characteristics of the profession itself; its ability to bridge all other design disciplines such as Communication Design, Fine Art, and Textile Design etc. only to enhance its own identity.

Applications for permanent and adjunct faculty positions at all levels (Lecturer, Assistant Professor, Associate Professor, and Professor) will be considered.

Core Responsibilities:

1. Interior Design faculty are expected to teach various studio or theory courses suited to their skill set and also play a primary role in the organizational management and development of new courses.
2. As a key member of the department, you will be committed to actively pursuing research publications, and active learning, contributing positively to the department and the field of interior design.

Qualification and Experience:

Bachelors or Master's degree in Interior Design or Architecture with at least 5 years of practical experience on interior design projects.

Skills and Expertise:

1. Be informed about the profession of interior design, its current trends, its impact as well as its global evolution.
2. Keen to develop/ design curriculum, syllabus and courses.
3. Proficient in academic language, academic content and strategies.
4. Have an interdisciplinary approach to design teaching and learning.
5. Have a process-oriented approach to teaching, with a focus on design principles and the process of problem-solving with strong organizational and leadership skills; always willing to be a team player.
6. Excellent written and verbal communication skills.
7. Believe in an evolving pedagogy – lead by example and mentorship; not by fear and intimidation.
8. Proficiency in key software: AutoCAD, 3DS Max, Lumion, V-Ray, Adobe Photoshop, Google Sketchup, Autodesk Revit, MS Office and more...

To Apply
