Financial Assistance and Scholarships at IVS

- ◇ Admission at IVS is based on merit, regardless of a student's ability to pay the fees.
- ◇ Once admitted, students apply for financial assistance and are evaluated by a panel for their need-based eligibility.
- ◇ IVS provides two types of financial support:
 - Financial Assistance through interest-free loans that cover 25-75 percent of tuition fees
 - Scholarships that cover up to 100 percent of fees as well as the cost of materials and supplies

How to Support a Student

- ◇ Scholarship payments can be made annually based on the invoice generated for each year, in either May or November.
- ◇ An individual or institution can also set up a dedicated scholarship fund to support students for the entire duration of study.
- ◇ Donors will be sent an update about the students they are sponsoring and a progress report at the end of each semester.
